COMMENTS FROM THE TOWN MANAGER'S OFFICE

There was quite a pleasant surprise at the last meeting of the selectmen. A resident of town visited a meeting and the person had no favors to ask nor complaints to make. The visitor attended the meeting out of interest and to observe the functioning of local government. I think I can safely say that it was the first time in the two and one half years that I have been in Bethel that this has happened. People are very quick to criticize all levels of government and all persons involved with public services. The sad part of the story is that a very large part of the criticism is unwarranted and based on a misunderstanding of the facts. A large number of people have complained about the fact that their tax bill is larger than it was last year. Actually the tax bills were smaller than last year in most cases but the people just expect the bill is large. So they complain. If people would base their complaints and criticisms on fact, I am sure things would run a lot smoother. If people would find out for sure why a certain course of action was taken, they would not be as quick to criticize and in many cases would have no grounds.

On the brighter side of the picture all accounts seem to be in fairly good condition for this time of year. It appears that there might be an overdraft in the town welfare account but it is something that I do not feel could be avoided. Most of the other accounts will either break even or show a small balance and a couple of accounts will show a very healthy balance.

The repayment of \$50,000.00 to the Casco Bank and Trust Company will be made this week. This is a partial payment of the \$125,000.00 temporary loan notes that the town borrowed this year. The remaining \$75,000.00 will be repaid later in this month.

The cast will be as follows: Amahl, Laurie Fisher; Amahl's Mother, Jane Look; King Kaspar, Greg Glines; King Melchior, Alan Howard; King Balthazar, David Kibbe; The Page, Tim King; Susan Bartash and Kathy Kittredge will be featured dancers. A chorus of twenty will provide the background music accompanied by the school orchestra.

MAYVILLE CHICKEN HOUSE DESTROYED BY WEDNESDAY FIRE

Loss was estimated at \$13,000 in a fire that leveled a chicken house owned by Reginald Godwin in Mayville Wednesday. The blaze started on the south side of the building at about 5-15 p. m. It is reported that the building was insured. Cause of the fire was undetermined.

A total of 13,000 four-week-old broilers were lost in the flames.

The three-story 110x140 foot building was saved when fire destroyed an adjacent stable on May 2, 1962.

PLAYERS' DANCE HELD

Bethel Players' "Storybook Ball Cabaret" was tremendously enjoyed by all who attended; and the majority were in costume. The music of Lloyd Radnell's orchestra kept everyone in the dancing mood.

Decorations of two over-sized storybooks were artistically centered on each side of the orchestra and storybook-colored streamers decked the walls. Candle-lighted tables were gay and picturesque.

Everyone agreed with the judges' decisions for costume prizes, which went to Seymour Butters, John Tebbets and Clinton Jenkins. Mr. and Mrs. Lester Smith were the lucky winners of the door prize.

BETHEL GROUP HEARS TALK ON

MENTAL RETARDATION

On Monday evening at Crescent Park School, a group of Bethel citizens were privileged to hear an address by Dr. Peter P. Jonitis.

Dr. Jonitis, who is state planner for services for the mentally retarded, spoke on causes of mental retardation, effect of environment on the learning ability of all children and what we can do to help prevent retardation and help those already afflicted.

Inasmuch as the federal government has recently passed laws in regard to studying this problem and the allocation of funds for local use, Dr. Jonitis expressed the hope that through community understanding and cooperation and the wise use of our resources, the future of the mentally retarded will be considerably brighter.

PLANS FOR NATIVITY SCENE

PROGRESSING

Plans for the live Nativity Scene to be held on the Common, Dec. 20th are progressing.

The costume committee headed by Mrs. Roland Glines is meeting this evening (Thursday) for further research and discussion. Anyone having suitable material for shepherd or wise men, is asked to contact Mrs. Glines.

The Boy Scouts under the supervision of Scoutmaster Ernest Perkins and Stanley Davis are designing the stable and manger.

CPS schoolchildren directed by Principal Ryder and Miss Helen Varner are making the stars that will be placed on all roads leading into Bethel, to direct all interested visitors to "The Manger."

Claus Weise, program director of WMTW-TV has expressed an interest in televising the pageant on Christmas Eve.

Blake MacKay and Fred McMillin are in charge of lighting while Paul Pierce has the responsibility for special lighting effects.

A live Nativity presentation has never been attempted in this area and could well become an annual event during the Christmas season.

An SOS is out for a black sheep—do you know of one? Contact Bruce Bailey.

The choir of the Church of the Nazarene has now choir robes which were used for the first time Sunday morning.

20 SECONDS WITH THE NAZARENE

A party stood on the Matterhorn admiring the sublimity of the scene, when a gentleman produced a pocket microscope, and having caught a fly placed it under the glass. He reminded us that the legs of the household fly in England are naked, then called attention to the legs of this little fly which were thickly covered with hairs thus showing that the same God who made the lofty Swiss mountain attended to the comfort of His tiniest creatures, even providing socks and mittens for the little fly whose home these mountains were.

—Henry Dyer

This God is our God. (Psalm 48:14)

To the Editor—

How much do we appreciate a chance to hunt where ever we like, and are we willing to respect the other fellow's rights and property? Apparently there are those who do not, as shown by the following incident which happened just recently.

My son, Alfred Lovejoy, owns a large tract of land in Mason township and in 1955 and 1956 we set out 17,000 pine and spruce trees in part of the old fields and pastures. These trees are growing fast and doing well.

We have been advised several times to post this land and see to it that no one was allowed to hunt there. However, our family enjoy hunting and have felt there was no reason why we could not be decent enough to share the privilege and allow others to hunt on our property too. But since I went up through the little trees last week I'm not so sure. Someone, too lazy to walk, drove their Jeep down through the pines dodging here and there into the old pasture toward the river. It looked like they got stuck

and had to turn around. In doing so they ran over and knocked down several nice trees. I would like to ask you if this is respecting the other fellow's property and the privilege of hunting there? I expect this person thought Alfred was a long way off as he lives in Michigan, and that I am too old and used up to ever go up there, so no one would know.

But, I have been there and seen the damage! It is well I was not there when it happened.

I believe in the near future all privately owned land will be posted and fenced and it is these people who have no respect for the other fellow who will make it necessary to restrict hunting.

Yours truly,
Fred J. Lovejoy
